ABOUT OUR EXPERIENCE IN Hand-Painted **Art Murals**

1

A selected group of professional mural artists will work towards the development of an art mural for your location. It can be indoors or outdoors

2

In consultation with our clients, our artists will develop a concept & renderings for design approval

3

We will prep the designated walls to have them ready to draw and paint

4

We use high-quality materials that guarantee the life of the mural under any weather conditions

ABOUT OUR EXPERIENCE IN Art **Workshops & Murals**

1

Engage students in art workshops as well as the development of an indoor or outdoor art mural in your space

2

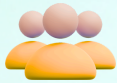

Students will learn art & at the same time be active participants in painting a mural that will reflect the values or a specific subject suggested by our clients

3

In collaboration with artists, students will respond to their environment & social movements, expressing their observations, critiques, and hopes for the future
